

**MIDWEEK
COMMUNION
IN THE
BENEFICE OF
NEWPORT WEST**

Dear All,

I want to encourage you to put these dates in your diaries and, if you are available day time, to make these short services a priority. As well as receiving communion and hearing God's word, it gives us a chance to come together as a Benefice and meet old friends and make new ones. If you can, try and visit one of the other churches and not just your own.

Looking forward to seeing you soon.

Love
Justin
Vicar
